EXPERT LABORATORY DESIGN

Kastner Laboratory Experts

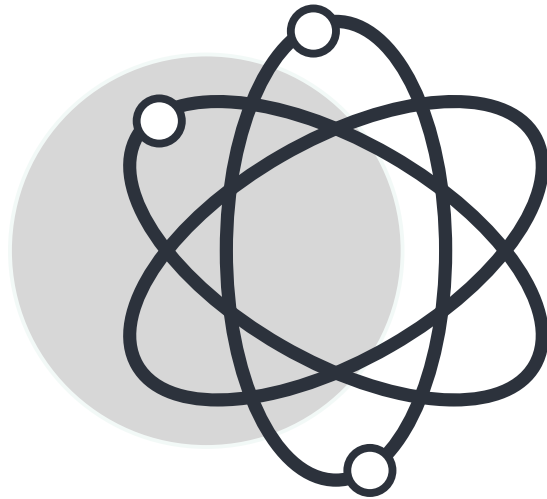

Technical laboratory division of McFeggan Brown.

Since 1975, we have been installing and supplying equipment for laboratories in areas of industry as diverse as cosmetics, pharmaceuticals, food, dairy, beverage, paint, textiles, veterinary laboratories and the chemical industry.

We have an in-depth knowledge of laboratory processes and can offer a fully project managed solution from initial design through to custom fit-out by our experienced teams across the UK.

Turn Key Laboratory Design...

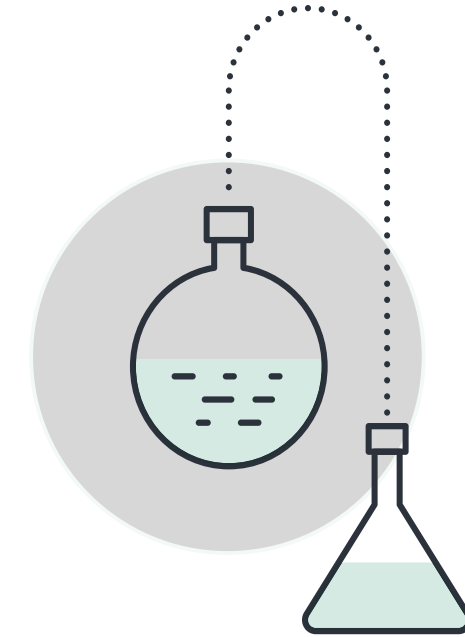

Innovation

Kastner are experts in space planning, furniture, and design. Specialising in creating highly functional laboratory spaces.

Communication

Kastner pride themselves on understanding their client's requirements through sharing their vision to ensure that projects are of the highest quality.

Experience

With personnel who can draw on 45 years of experience in the laboratory design industry, Kastner have established a renowned reputation for offering a unique and cost-effective service.

Core Values...

Integrity

From our site workers to the office administrators, we uphold the highest moral values in carrying out our duties, and will always find a cost effective solution.

Respect

We believe that in business, being courteous is always more effective. From clients to suppliers, our family atmosphere is felt by all who work with us.

Trust

We are exceptional at what we do. You can rest assured that your project is safe in our hands.

Honesty

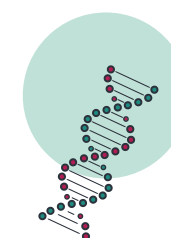

We ensure you that your expectations match up to reality. What we say, you'll get.

Responsibility

We responsibly manage needs to the maximum. From our site workers to clients.

Consistency

Our work is completed to absolute consistency. It's key to holding together a project.
